As the leading trade publication for everything related to tyres, wheels and retreading, we provide comprehensive information and advertising opportunities.

MAGAZINE

NEUE REIFENZEITUNG has been an authoritative voice within the tyre & wheel markets for over 40 years. Every month we publish numerous background reports as well as important corporate news and information about new products and services.

WEBSITE

With Reifenpresse.de, we offer the leading German-language news source for the tyre & wheel markets, with relevant information published on a daily basis and supported by comprehensive databases.

NEWSLETTER

To keep our readers in the loop, at the end of each working day the NEUE REIFENZEITUNG editorial team distributes a newsletter featuring all the latest industry-relevant information.

• SUMMER, WINTER & ALL-SEASON TYRES IN TEST

Well over 100 tyres are tested each season in Germany. Retaining an overview of their strengths and weaknesses isn't easy. Our supplements show you how each tyre performed in each respective test and thereby inform which products are the season's frontrunners – an invaluable aid for sales talks at the counter and for showroom displays.

Publication dates: April, November

• ADVERTORIAL BOX

Do you wish to present a new and as-yet untested tyre?
Gain exposure via an Advertorial within our test supplements.
Prices on request.

• TRUCK TYRE SUPPLEMENT

The truck tyre business is for professionals only. To ensure that the demanding needs of customers on all levels of the value chain can be met, market players need well-founded information. This is provided by our new editorial truck tyre supplement, called Lkw-Reifen Special. It is published three times a year with a circulation of 11,000 copies of which 6,000 are distributed directly to fleet operators.
